MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence
Deputy Director for Science & Technology
Deputy Director for Intelligence

FROM:

Chief, Arms Control Intelligence Staff

25X1

SUBJECT: Soviet Negotiators (U)

REFERENCE: Your memo; dtd 4 Feb, re: same subject

1. This "fast-track" memorandum is for your information and responds to the reference (copy attached). (U)

2. The Office of Central Reference and ACIS have this project well underway. I saw Senator Tower and Ambassador Kampelman last week during a briefing by NIO/SP, NIO/USSR, and myself. At the end of that session, Messrs. Tower and Kampelman, and myself had a series of short discussions about support prior to, and during, the Geneva session coming up in March. During this short chat, Ambassador Kampelman, in effect, asked me for expanded biographies on the key Soviet negotiators. I said we would be pleased to do so and would provide them to him by the end of this week. OCR has this project in hand and is producing expanded bios for Soviet Ambassadors Karpov, Kvitsinskiy, and Obukhov. Clearly, Senator Tower did not get the message.

3. We expect these bios from OCR on Wednesday. When we get them, we will bring you a set. In addition, the three Senior Intelligence Advisors (about whom I will tell you more in the next day or so) will provide them to the three US negotiators.

4. If there is anything more we can do to assist you here, please call and let me know.

I had dinner with John Tower the other night. He said he wants all the information that can be gathered on Karpov, his opposite number. Let me see what we have on the Soviet negotiators and their backgrounds.
